Foreign and Domestic Nursery Stock

Orders accepted subject to crop conditions, over which we have no control.

**SPECIAL** quotation on French Nursery stocks for LINING OUT.  
Prices are at the nurseries, France.

Our packing is done by experts at the nurseries in France and charged at actual cost.  
Accounts are due on or before June 1st, 1916 subject to our sight draft, at Worcester, Mass.

Maritime insurance is provided for all shipments, unless otherwise desired. Owing to the present  
European conditions, we will choose the best and cheapest method of transportation obtainable at  
the time the goods have to be forwarded.

All importation expenses must be paid by the purchaser on receipt of the merchandise.  
All stocks travel at risk and expense of the purchaser after they leave the nurseries and all claims for  
heating, freezing, or other complaints should be made at once.

We take special care of all federal permits, etc. etc.

## QUALITY PLANTS

**Special:** Note our offers of 3 yr. old stocks
